

Motives

Reflection questions

What do I want?
What is my aim and what do I stand for?
For what reason?

Indicators

- I can indicate what I enjoy and find interesting in my study programme.
- I know what my work values are.
- I can establish a link between different experiences in my life.
- I can establish a link between professional dilemmas and my values.

Explanatory notes

- Think about what you want and what you consider important for your own career.
- Become aware of what you consider important in life, in your studies, and in your work.
- Discover what gives you satisfaction and what you still need to make your work meaningful and enjoyable.
